Hello everybody! Once again, it’s been a busy fortnight at Heckenberg. Keep an eye out for notes because there are lots of exciting events coming up this term.

First of all I would like to highlight the fantastic Halloween Disco our P&C organised. Everyone had lots of fun dancing!!

It was great to see both students and teachers supporting our P&C fundraiser. Well done to our hardworking P&C!

Stage three students have been studying a theme “Disasters” for their ‘COGS’ unit. Students have been producing outstanding work samples. Have a look at Jermaine’s ‘Titanic’ artwork! I was very impressed as was his teacher!

Headstart
Our exciting Head Start program operates each Tuesday and Wednesday from 9-12.30pm. The teachers and students had a wonderful ‘fancy dress day! Don’t they look fantastic?

Creative & Clever Students
I was fortunate enough to meet with some safe respectful learners this fortnight. Well done to these proud students.

He has certainly given it some thought. What a clever artist—well done! You can see this painting hanging up in the front office. What a proud looking artist we have!
These two boys have had a lot of fun with some of our lunchtime equipment. They really enjoyed designing and building their plane of the future. Look at those smiles!

I was very lucky to join in the K-2 Dancing last week. This group of students tried so hard to learn 'The Heel Toe Polka' (so did Mrs Bull!!) that they each earned a 'Blue Hector.'

Musicians at 'The Berg'

Look at our helpful gardeners! They've planted 'Sunflowers!' Do you know what they will look like when they have finished growing?? I can't wait to see who will be the tallest!

There are so many exciting events coming up!! Please read carefully so you and your child don't miss out.
